\*\*\*\*\*

September book orders should arrive this week and will be placed in student's lockers.

October tuition is due this week. Needed items for this month are juice, 5 oz. Paper cups, snack items, tissues, glue sticks, copier paper and construction paper.

THANKS!

Snack lists for our Halloween parties are posted on the front table. Our Halloween parades and parties are scheduled for Tuesday, October 25 and Wednesday, October 26<sup>th</sup> at 10 am. Students should arrive at the regular class time in their costumes. We will leave our building-weather permitting-at 10am and parade down Spring Street towards Main Street. We will cross the road and return on the other side of Spring Street-back to our class rooms. Any parent who would like to be a TREATER may sign up on our snack lists. A Treater would pass out a treat to the children as they parade -on either side of the street. Siblings, parents, and guests are invited to dress up and parade with us. When we return to TBC everyone is invited for refreshments. I will supply bags for the

children to carry. We will place their treat bags in their lockers to take home with them.

A separate notice regarding pictures will be placed in each student's locker. Pictures are scheduled for Monday, October 17 and Tuesday, October 18 at the beginning of our classes. Parents are invited to stay to watch and help, if possible.

This week our theme is FALL and our color is YELLOW. Our snack will be bread and butter. The Briars will make butter by shaking jars of heavy cream until it turns into butter. The secret ingredient is a dash of salt for flavoring.

**MONDAY** the class will begin by finding the hidden hats on their paper. The letter is "L". We will SNIP strips of paper to glue onto a mouse picture. They are doing a wonderful job with their scissor safety and using the glue sticks. We will make a fall tree.

**TUESDAY** the children will begin by following the lines. They will color and paint with YELLOW. Everyone will help make butter for their snack. Everyone will make a fall tree.

**WEDNESDAY** the students will begin with a hide and seek paper and finding the bears. The letter is "M". We will cut and glue onto a dinosaur paper. Our Science topic continues with our HEART. I will bring in my stethoscope to let everyone listen to their hearts.

**THURSDAY** the Bears will begin by following the lines. The shape is STARS. Everyone will make a leaf basket. We will make an I CAN TELL ABOUT FALL paper. Everyone will share their newspapers and behavior books.

**FRIDAY** we will begin by finding the button-button. Our letter is "N". Everyone will SNIP and glue onto a turtle paper. WE will trace and find the STARS. Everyone will make a leaf basket, a story about fall, share their newspapers and behavior books.

THANKS SO MUCH for all your help and support.  
Cindy Reardon 232-2230
