The Bears will decorate their class room tree to get ready for our Christmas programs.

The programs and parties will be held on Tuesday, December 13th and Wednesday, December 14th at 10am. Students should arrive at regular class time. Parents and guests should arrive after 9:45 to allow us time to get everything ready.

Snack lists for the refreshments are posted on the front table.

Exchange gifts should be brought in by this Friday. This will give me time to make sure everyone receives an exchanged gift. Siblings are welcome to receive a gift also. Just write their name and SIBLING on the tag. Programs will last about 15 minutes, and then Santa will arrive. He will listen to each child's wishes and loves to pose for pictures. **DON'T FORGET YOUR CAMERA!** He will hand out the exchanged gifts. After he leaves we will have refreshments. Any questions, please call me.

December tuition is due now.

December book orders are due by Wed the 7th. This will allow us time to get the books back before Christmas. You can order on line if you wish.

Just go to our web site at www.teddybearcorner.net for a link or go to www.scholastic.com. If your order is for gifts, let me know and I will keep everything hidden.

MONDAY the class will begin by finding the OPPOSITES is each picture. Our letter to trace and write is "H". They like to trace but not to write the letter on their own. We are working on that. They will cut squirrel nests. Our rhyming word is STAR. We will make foam trees as our craft. Everyone will help decorate our tree and room this week. We will write letters to Santa.

TUESDAY the Bears will begin by finding the SAME items in each row. They will learn more about WINTER and the types of clothing we need to wear. Everyone will make a tree and write a letter to Santa.

WEDNESDAY the children will begin by finding the OPPOSITES. Our letter is "I". Everyone will cut puppy signs. We will work on a rhyming paper. Everyone will make their parent's gifts.

THURSDAY the students will begin by finding the SAME item on their paper. They will trace and find the

SQUARE shapes. We will make stocking ornaments; share our newspapers and behavior book.

FRIDAY we will begin with an OPPOSITE paper. Our letter is "J". We will cut mail items and glue them where they belong. Everyone will work on their rhyming words. We will make stocking ornaments; share our newspapers and our behavior book.

Teddy Bear Corner has been selected to participate in a program with the South Jeff Lion's Club and the Lions SEE program at the Ira G. Ross Eye Institute in Buffalo. Each child would have an picture of their eyes taken. These pictures are checked by a professional eye doctor and results are sent only to the parents. There is no charge. Parents may be present during the screening. The screening would be done during class time at TBC. Parent permissions will be sent home this week. Please return them as soon as possible. Screenings will be scheduled in January. If there are any questions, please feel free to call me at 232-2230.

Thanks so much for all you support. Cindy Reardon
