WOW!! We had Spiderman, Batman, Superman, All the Princesses and Tinker Bell and very colorful Fairy Princesses at our Special Events last week. They danced, played, and sang all the songs! We had a wonderful time. The snacks were great, too-ice cream and cookies!

The children are very busy completing **many art projects** for their art show. The raffle basket tickets will be available at the show. They are 6 tickets for \$5.00.

THANKS so much for the basket contributions. We have many stuffed BEARS, girl toys, boy toys, an AVON basket filled with goodies, new backpacks filled with books, etc., etc. If you would like to send in a basket or some baked items for our baked sale, please let me know.

We have **GLOVE gardens and flowers** growing on our window sills. We also have larvae that have become **caterpillars** and ready to make their chrysalis. Please stop by to check out all the Science projects.

May tuition is due this week.

The May book flyers will be placed in lockers this

week. Any orders will be due by the 17th of May.

MOVING UP DAY is scheduled for Tuesday, June 11th at 10am at the Six Town Meeting Hall. We will be practicing there on June 4th. There will be a sign up list for snacks for this program. This program is for the Tues-Thurs students

GRADUATION will be held on Monday, June 10th at 6:30 pm at the Six Town Meeting Hall. We ask each family to bring a dozen snack items to this program. Parents, family members, and guests are invited to attend the ceremonies. We always rent this big building because it has a small stage and lots of room for the audience. This program is for the Mon-Wed-Fri students. The Six Town Meeting Hall is located on Church Street across from Mercer's. The Hall is located two buildings from the Adams Post Office. If you have questions, please let me know.

Tuition for June is ½ the regular amount. We end classes with these ceremonies.

This week our theme is **DINOSAURS** and we will have a **DINOSAUR DIG**

on Tuesday and Wednesday.

MONDAY the class will begin with a dinosaur maze to solve. Their number is "4" and their letters are "W, w". We will make a TYRANNOSAURUS REX.

TUESDAY the Bears will begin with a dinosaur maze to solve. Their number is "3". They will make a big T-REX.

WEDNESDAY the children will begin with a maze to solve. Their letters are "X, x". We will complete some of our Art projects.

THURSDAY the Bears will begin with a shadow matching game. They will learn about UNDER. We our letter is "Y". We will make a TRICERATOPS. Everyone will share their newspapers and behavior books.

FRIDAY we will begin by solving a maze. Their Rhyming words are SING and RAN. Our letter is "Y, y". Everyone will work on a TRICERATOPS, share their newspapers and behavior books.

Thanks so much for all your continued support. Cindy Reardon 232-2230
