

TEDDY BEAR CORNER NURSERY/PRESCHOOL

P.O. BOX 173, ADAMS, NEW YORK 13605 771-7956

www.teddybearcorner.net September 12-16, 2011

We all managed to survive the first week at TBC. We did have a few tears, but they disappeared as soon as the painting began. All and all it went very well.

WE are learning names and faces and using the name tags really helps. There will be one on each locker each class time.

THANKS so much for all the wonderful supplies. We use lots of paper and juice and snacks each day.

Registration forms need to be handed in quickly. If you are waiting for your immunizations records, please hand in the registration part now, if possible.

There will be book order flyers and a letter explaining how to order anything, if you are interested. There is NO obligation. TBC receives 1 point for every dollar spent. The points are used to "buy" items we need- new books, posters, etc. The book orders for September are due by Friday the 23rd.

This week our theme is MOTHER GOOSE and our color is GREEN. That means our snack will be

making green eggs and ham.

MONDAY the class will begin by finding the SHORTEST item in each row. Our letter is "C". WE will continue tearing strips of paper and glue them onto a tree paper. Everyone will color and paint with GREEN. We will make Humpty Dumpty sitting on his wall.

TUESDAY the children will begin by coloring Humpty Dumpty. They will color and paint with GREEN. Everyone will make Humpty on his wall.

WEDNESDAY the Bears will begin by finding the LONGEST item in each row. We will tear strips and glue them onto a pumpkin picture. Our letter is "D". Our Science Unit will begin with our bodies. We will learn about our brain-where it is, what is its job, why do we wear helmets, what is our skull, and everyone will make BRAIN HAT.

THURSDAY the students will begin by coloring Miss Muffet. Our shape is CIRCLE. Everyone will make Miss Muffet's Spider. We will also make Old Mother Hubbard's dog

and his bone. We will share our newspapers and our behavior books.

FRIDAY we will begin by finding the SMALLEST in each row. Our letter is "E". Our tearing strips will be glued onto a starfish paper. Everyone will trace circles; make a spider and the dog with the bone. We will share our newspapers and our behavior books.

All week we will be learning nursery rhymes and new songs.

Next week our theme is OUR TOWN. If anyone would like to drop by and discuss their job with the class, we would love it. It does not have to be a big talk, just a few minutes about what you do. WE are learning about New York State, the governor, president and the mayor of Adams.

Our color next week is purple.

The week of the 26th our theme is WATER and our color is blue.

THANKS so much for all your support. Cindy Reardon 232-2230
