www.teddybearcorner.net NOVEMBER 30-DECEMBER 4, 2009

We hope everyone had a wonderful Thanksgiving holiday! Now we need to get ready for Christmas! WOW! Time does fly!

DECEMBER BOOK FLYERS will be in lockers this week. Any orders should be back to TBC by Tuesday, Dec., 8th. These should be back in time for the holidays.

DECEMBER tuition is due this week.

Because I am asking everyone to bring in a gift to exchange and have a Christmas party snack sign-up list, there will be no items needed for our SUPPLY LIST for this month.

If South Jeff schools are closed due to bad weather, TBC is also closed. If South Jeff is delayed two hours, TBC is closed. If you have any questions regarding the weather, please call me.

SHOW AND TELL will be held this Thursday and Friday. Items may be brought from home and left in the lockers until we have Show and Tell. Each child will get their special item from their locker and show and tell their classmates about it.

Christmas programs and parties will be held Monday, December 7th and Tuesday, December 8th at 10am. Each student should bring in a gift to exchange valued at \$5.00.

Please label your gift FROM with your child's name. We will fill in the TO part. Boys buy a boy's gift. Girls buy a girl's gift. Siblings may bring a gift. Place their name on the TO part and write SIBLING on the tag, too. The students are practicing songs and skits for their program. Santa has been invited to attend and should arrive about 10:15. Sign up lists for refreshments are on the front table,

Our theme this week is winter and our color is white.

MONDAY the class will begin with a rhyming paper. The letter is "D". Everyone will cut on the lines. We will make a snowflake decoration.

TUESDAY the children will begin by matching the pairs. The color is WHITE. Everyone will make a snowflake to bring home.

WEDNESDAY the Bears will begin by rhyming words. The letter is "E". Everyone will cut on the lines. Our Science topic is EATING and what happens to our food after we chew it.

THURSDAY the students will begin by matching the pairs. They will trace rectangles. Everyone will make a snow man. We will share our newspapers and behavior book. SHOW AND TELL.

FRIDAY the children will begin by rhyming pictures. The letter is "F". We will cut on the lines. Everyone will make a snowman; share our newspapers and our behavior book. We will have SHOW AND TELL!

More Secrets for Parent to know by Ruth Bowdoin

Courtesy is more likely to be "caught" than taught.

If my child feels no one cares for him, he may care little for himself.

Eighty percent of my child's brain has developed by the time he is eight years of age.

The early years are the most important because they are the formative years.

My child learns by trying things and making mistakes.

A child develops fears or anxieties if he is over-protected.

Parents are the most important teacher any child will ever have.

My child learns by seeing, feeling, hearing and doing.

Learning experiences are possible in every home and in every yard.

Thanks so much for all your support. Our supply cupboards are full. Our snack cupboards have a wonderful variety of snacks. Thanks again. Cindy Reardon 232-2230
