

TEDDY BEAR CORNER NURSERY/PRESCHOOL
P.O. BOX 173, ADAMS, NEW YORK 13605 771-7956
JANUARY 9-11, 2024

The pancakes were a huge success. Each child stirred the batter and flipped a pancake. They ate 40 pancakes-they were small ones, and a donut hole!

Everyone did a wonderful job on number "1" by tracing the lines so well and eating just one M&M! They also loved their Brain Hats. I let everyone hold my Brain model I have. Two did not want to touch that thing!

This week our SPECIAL EVENT on Tuesday will be an inside PICNIC IN THE SNOW!! We will spread table clothes on our rug, and share peanut butter and jelly sandwiches, bologna sandwiches, chips, pickles, juice and an ice cream desert. Then we will have a cotton ball snow ball fight!!!

We started sewing cards last week. They loved to sew the colored string through the holes on the different cards we have. They really did a great job. We will try that again this week, too.

TUESDAY the Bears will begin by tracing the lines for the mice on the ice. Our number is "2" to trace. Our story is JACK AND JILL! They will cut and glue buckets onto wells 1 or 2.

They will color two different items on their number sheets. We will work on PUFFINS and cut our fish to feed to them. Everyone will chose the items to wear in winter weather.

THURSDAY the Bears will begin by helping the Smiling Snow Pals. They will trace two cows and trace the number two again. Our Science Topic is our Spine. We will make SPINE TIES to wear home. Everyone will try to match the correct items for the polar bear swimming. We will try to make a Happy/Sad Mouse to bring home. Everyone will color I HAVE A DREAM paper for Martin Luther King Day.

JANUARY 16 our theme is ANIMALS! Our Special Event will be an ANIMAL PARADE. Everyone may bring in their favorite stuffed ANIMAL to parade with them. We will talk about what kind of animal they brought in, what do those animals like to eat, drink, where do they sleep, etc. We will also learn about our MOUTHS for SCIENCE.

JANUARY 23rd our theme is NIGH TIME and our SPECIAL EVENT is a SLUMBER PARTY. Each child may wear their pajamas and bring a blanket or a sleeping bag. We will play musical blankets and stuffed animal toss. We will learn about why we have to go to bed at night. What jobs are needed at night? What people have to work all night and sleep all day?

This day is always the worst weather! Just warning everyone. If we have to cancel this Slumber Party we will reschedule it for later in the year.

JANUARY 25th is SHOW AND TELL day!

JANUARY 30 our theme is GROUND HOGS and our Special Event will be making a Ground Hog puppet. We will learn about animals that live outside and in their homes during the winter, how they stay warm and what they eat.

Thank you for the support and snack items. We need copier paper and cupcake paper holders for the snacks.
