JANUARY 23-25, 2024

WOW! Another winter weather week! We have lots to catch up with everywhere!

The Bears loved their Animal Parade. They told about their animals and where they lived and what they liked to eat. We had several meat eating dinosaurs that came to our parade! They paraded around the table with their animals and placed them on different parts of their bodies. We had a difficult time deciding which animal was the best----so each child's animal received a trophy!! They were so sweet --walking up to get their animal's trophy and shaking our hands!

The book flyers were placed in lockers last week. Any orders are due back by Thursday the 25th.

This week our theme is NIGHTTIME and our Special Event is a Slumber Party. Children may wear their pajamas and bring a blanket or a sleeping bag. We will discuss why we need to sleep, who works at night, who sleeps in the day, and what different animals do too.

TUESDAY the Bears will begin by tracing Bear

Balloons. Our number is "3" to trace and count M&Ms with. Our number story is The Three Little Pigs. They love taking part in our Classic Stories! Everyone will continue cutting and gluing with snowflakes. We will also make Where Is Little Seal booklet to help us remember up and down, over and under, beside and behind.

THURSDAY the Bears will begin by circling the gift that fits in each box. We will cut and glue the dogs onto their sled. Everyone will cut and glue the scarf together. Our Science Topic is our MOUTHS. Everyone will make a mouth to bring home.

OUR ANIMAL PARADE STARS:

MARA brought her new horse. It is a baby horse that she got from her Nana. It likes to eat hay!

EVERETT brought his T Rex. He got it from his Mom and Dad. It likes to eat meat!

EMERSYN brought her baby. It sings and lights up. She got it from home.

BAYLEE brought a blue bear. It likes to eat berries

and bugs. It likes to eat honey too.

MASON brought his big wolf. It likes to eat dog food. He got it from Great Wolf Lodge.

BRYNLEE brought a white reindeer. It likes to eat carrots. Her name is Taco.

RYDER brought a dog. He got it at his house. It likes to eat dog bones.

OWEN brought a big dinosaur. He is green and likes to eat meat.

OLIVER brought a dinosaur that he got from a birthday party. He is green and likes to eat meat, too.

LINCOLN brought a wolf. IT is gray and white and he loves to eat meat. His name is Wolfy.

LENA brought a purple bunny. She likes to eat grass.

Each child shared their stories about when the power went out. It really impressed these little ones. They couldn't watch TV, or see things, some went to grammas to stay, some had to throw out their food because it was rotten, etc. I wish I could have recorded all of their stories for their parents to here.
